(1) Band

The band program at Columbus North consists of nine weeks of marching band and twenty seven weeks of concert band. All students enrolled in the band program at Columbus North High School will participate in marching and concert bands. Students who have a Columbus North High School fall sport conflict with the marching band schedule will be excused from these rehearsals and performances. **Students must inform directors by June 13th if they are planning to participate in a fall sport.** These students must turn in a tape with all the marching music performed. The Concert & Symphonic Bands are assigned by the directors in the spring; The Wind Ensemble is by audition only. These groups will perform at various concerts and contests throughout the year; attendance is mandatory.

(2) Orchestra

The orchestra class is strings only. The orchestra also rehearses outside of school hours with the brass and woodwind players that volunteer to be in the orchestra. This group will perform at various concerts and at the ISSMA orchestra contest in the spring.

(3) Jazz Bands

The jazz bands, 25th Street Jazz, North Blues and Jazz Lab are open to **all students enrolled in Concert Bands, Percussion Class or Orchestra.** 25th Street Jazz and North Blues are scheduled during the school day. The Jazz Lab is open to any student interested in learning about jazz. Students will progress to the North Blues after one year of jazz study. Students wishing to perform with 25th Street Jazz must audition or be recommended by the director. The jazz bands perform many concerts throughout the year as well as compete at jazz festivals. Extra rehearsals and performances may be required outside of the school day.

(4) Sound of North

The Sound of North is the marching band for Columbus North High School. This group is made up of all the band students and students who have auditioned for the color guard. The Sound of North performs at all home football games and competes throughout the state during the fall.

(5) Color Guard

The color guard is a part of the Sound of North. The color guard utilizes flags, rifles, sabres and dance. Color guard auditions are open to any student enrolled at Columbus North High School; auditions are in the spring. Color Guard members must be enrolled in Dance Comp for non instrumentalists or a band class for instrumentalists. The Winter Guard is composed of members of the Sound of North Color Guard. The Winter Guard competes in the winter months in the Indiana High School Color Guard Association circuit. Student's Marching Band fees must be current to join Winter Guard.

(6) Percussion

The percussion line is open to all percussion students and also students playing non - marching instruments, such as oboe and bassoon, are also eligible for the percussion line. The percussion section is divided into two distinct groups: the front ensemble and the battery. The front ensemble (also known as the pit) performs on a variety of keyboard instruments and percussion instruments. The battery performs on snare, tenor and bass drums and is a marching unit. Acceptance into either area is by audition only.

(7) General Rules

As a representative of Columbus North High School and the entire Columbus community, it is imperative that the appearance and behavior of the instrumental music members be above reproach.

1. No smoking, no drugs or alcoholic beverages at any time.
2. You must obey your staff and bus chaperones at all times. They are carrying out the instructions of the directors.
3. No use of obscene language at any time when in uniform or connected with the band or orchestra. (This includes during rehearsals.)
4. You must take proper care of your uniform.
5. Any excessive show of affection in public will be discouraged. Hand holding is OK; kissing is not OK.
6. Do not participate in any activity that could reflect poorly on the Sound of North or the Columbus North High School instrumental ensembles.

All school rules are in effect when participating with the ensembles. Since the band, orchestra, and color guard are co-curricular activities, all co-curricular rules apply.

(8) Rehearsals for the Sound of North

Beginning in late May, the Sound of North starts preparation for the fall marching season.

- New members, guard and percussion members should attend rehearsals labeled specifically “NEW MEMBERS, GUARD & PERC” on the Sound of North Calendar.
- ALL members should attend rehearsals labeled “FULL BAND” on the Sound of North Calendar.

These rehearsals will include marching fundamentals and music preparation.

In August, the Sound of North has an intense rehearsal schedule culminating with a full week of Band Camp.

Once school begins in August, the Sound of North rehearses:

- during class each school day
- Tuesdays and Thursdays from 5:45-8:30 pm
- Sectionals on Wednesdays
 - 3:30-5:30 pm (winds)
 - 5:30-8:30 pm for battery

(9) Attendance

Attendance at all rehearsals and performances is mandatory. Students who have conflicts with summer rehearsals should turn in conflict slips to the director. (If possible, plan late June or early July vacations.) Performance positions in the Sound of North are earned through good attendance and continued improvement in May and June and skill development throughout the season.

Alternates are a necessary component in any competitive marching band to insure that there is a balanced visual and musical production. Alternates do not have a marching position but will stand on the sideline and play. A member may be designated as an alternate under the following conditions: lack of ability to master the basic marching fundamentals or lack of ability to perform the competitive show, poor attendance, repeated violation of a rule, or sustaining an injury. A student designated as an alternate may or may not remain an alternate for the entire season if a marching position becomes available.

May & June rehearsals are important to the success of our competitive program. These are the rehearsals at which the majority of the fundamental skills are developed. In July, Pre-Camp & Band Camp are required. If a student does not attend Band Camp, he/she will be designated as an alternate and depending upon circumstances may not march during the season.

(10) Absences

All performances and rehearsals during the school year are mandatory. During the summer, students should fill out a conflict slip (see example on back page) in advance of an absence. These conflict slips are to be signed by a parent and turned in as soon as possible. If a student is ill on the day of rehearsal, call the band office answering machine prior to the start of rehearsal at 376-4258. Absences handled in this manner will be considered excused. Work is **NEVER** an excused absence; plan accordingly. **Conflict slips are not accepted after Pre Camp.** **If there is a conflict once school begins,** please contact Mr. Stultz or Mr. Burton immediately.

(11) Band Camp

Band camp is one of the most important weeks for the Sound of North. During this time, the majority of the competitive program is learned. **Band camp is required for all members of the Sound of North.** Students not attending band camp will be designated alternates.

(12) Rehearsal Rules

1. Students must be on the field for after school rehearsals by 3:20 pm and for evening rehearsals by 5:50 pm. Tardy students may be subject to a penalty such as standing on the sideline during the next performance. Missing a rehearsal will also result in a penalty.
2. No gum or candy allowed on the field during rehearsal.
3. No pagers or cellular phones are allowed. According to school policy, these items are not allowed on school property.
4. Tennis shoes or other appropriate shoes should be worn during rehearsal -no sandals or heavy soled shoes (including thick soled tennis shoes.)
5. Each student is responsible for the equipment he/she uses during the show. Do not allow other students to use the equipment.
6. Respect should be given to all Sound of North staff members.

(13) Drum Majors

Drum Majors will be selected each year for the Sound of North. Drum Majors must have at least one year's experience in the Sound of North. Selection will be based on leadership skills, directing ability, attitude and commitment. Drum Majors should also be good students and respected by the student body.

Drum Major auditions will be held in May and will include completion of an essay, command sequences and directing a portion of the upcoming competitive program. Selection will be made by a committee selected by the directors.

(14) Team Leaders

Team leaders will be chosen for each section of the band. Team leaders must have at least one year's experience in the Sound of North. Selection of team leaders will be based on leadership abilities, attitude and commitment to the program. The team leaders will be responsible for helping freshmen members master the fundamental marching skills, helping staff in sectional rehearsals during the summer, ensuring that freshmen members understand the rules of the Sound of North. Team leaders can call sectional rehearsals during the fall marching season. Team leaders will be chosen by the directors in May.
